

PRE- study start language:

Version 1:

We need your input on an emergency care research study of bleeding in the brain.

The <<FASTEST site>> is joining researchers at more than 100 other hospitals across the United States and other countries to conduct a research study of bleeding in the brain called FASTEST. This research study may affect you or someone you know, and we need to find out ahead of time what the community thinks about it. THANK YOU for your help and time in completing this survey.

There are no known risks involved in participating in this survey. Your participation in this survey is completely voluntary. Please complete the survey by using the link below or contact the study team listed.
