

Dear Colleagues,

Thanks to your continued efforts, our network has successfully met the monthly goal of at least 8 randomizations for **4 months straight**. We know this takes consistent and careful attention to each patient admitted to your hospital. It requires making an early contact, being persistent, and following up with the patient and family, as well as the providers. Please keep up this excellent work!

We look forward to seeing many of you in Los Angeles at the ASPIRE Dinner Meeting on Tuesday evening (*JW Marriott Los Angeles L.A. LIVE, starting at 5:30pm, with a presentation starting at 6:15pm*).
