# ASPIRE DSMB MEETING ON OCTOBER 20<sup>TH</sup> ---

- We received go-ahead to continue with no changes to our protocol.
- Urged us to do all we can to improve recruitment!

## Be Part of AspireNet!

We are excited by the level of interest expressed by Coordinators who want to join up for AspireNet, our proposed network of small Coordinator Teams designed to promote collaboration and support across recruitment sites.

All ASPIRE Primary Study Coordinators who have responded *YES* to our invitation ([Aspire@yale.edu](mailto:Aspire@yale.edu)) by **Friday Oct 27th** will be assigned to a team. Teams will be created to minimize differences in an 'experience' metric (months active as PSC + ICH admissions + consent velocity).

**AspireNet teams will be announced on Monday, October 30.**

## SCREEN FAILURE FORMS FOR ASPIRE

### WHO?

- Every ICH patient with AF who isn't consented – Ineligible and Refusals.

### WHEN?

- Submit in WebDCU>Study Progress after eligibility fully determined for patient.
- Please submit at least monthly.

### WHY?

- Allows us to see patients you are seeing; forms reviewed weekly and during site check-in calls.
- Provides demographics for patients who don't get into trial.
- Allows us to reimburse additional funds for your screening efforts.
  - For each randomization, 6 hours of coordinator time reimbursed.
  - For each consent, \$70/SF submitted since last consent reimbursed (up to max of \$280).
