

## Sleep SMART T3 & CPAP Resource Page

Name: \_\_\_\_\_

I am participating in a trial that is using a device called the Nox T3. This device will be testing me for Sleep Apnea.

The next night, I may also be trying CPAP for Obstructive Sleep Apnea. My goal is to use CPAP every time I sleep.

If there are questions or concerns regarding CPAP, please contact FusionHealth at \_\_\_\_\_

A study coordinator, \_\_\_\_\_, can also be contacted at \_\_\_\_\_(phone) with any questions/concerns.
