SISTER Updates, Reminders & Tips

Post Randomization Tasks

- **BLINDED STUDY TEAM MEMBERS:** It is important to complete the F206 Study Drug Administration within 8 hours following the initiation of the study drug. Should you have any inquiries, please reach out to Data Manager Riley Luckmann at luckmann@musc.edu or Site Monitoring Manager Aaron Perlmutter at perlmutter@musc.edu.
- **FORUNBLINDED PHARMACY STAFF ONLY:**
 1. Kindly fill out the [Subject Randomization Code Confirmation] form, with attestation signature, printed name, and date. Please file this document in the SISTER pharmacy binder.
 2. Within 72 hours of the study drug's mixing/preparation, complete the [Subject Study Drug Mixing] form. Should you have any inquiries, feel free to contact the StrokeNet Central Pharmacy at SISTERTrialrx@ucmail.uc.edu.
 3. All reportable SAEs must be entered in WebDCU within 24 hours of knowledge
 4. All other CRFs should be data entered and submitted within 5 days
 5. The central pharmacy team will be reaching out to the site PPh to discuss how the study drug preparation went and if there were any questions or concerns.

Regulatory Documents

People documents are expiring. The mRS, NIHSS, and shipping certificates must remain valid while you are screening and enrolling. Please upload new documents ASAP or you will need to upload a NTF with a new certificate stating the impact on screening and enrollment.

Readiness Calls

If your site is scheduled for a readiness call, please have all of your site and people documents uploaded and approved so that study drug and lab kits can be shipped immediately after your call has been completed.
