Reminders, Updates & Tips

- ◆ mRS & NIHSS assessments, post baseline, must be completed by a certified member of the site's study team.
- ◆ Please complete the con-med eCRF as soon as possible after randomization in the case there is an SAE and the Medical Monitor needs to review. You will also need to update the con-med eCRF for every subject visit.
- ◆ When adding new team members to the DoA, make sure you have their documents ready to be uploaded for review. The new team member cannot work on the study until all of their required documents have been approved.
- ◆ If you are experiencing a NS shortage that is restricting SISTER enrollment, please reach out to the central pharmacy team at SISTERtrialRX@ucmail.uc.edu

Pharmacy Shipping

Study Drug shipping will be very limited during the week of Thanksgiving, see below:

Monday 11/25 - standard shipping

Tuesday 11/26 - Emergent shipping only

Wednesday 11/27 - No shipments

Thursday 11/28 - Central pharmacy closed, no shipments

Friday 11/29 - Central pharmacy closed, no shipments

Usual study drug shipping will resume on Monday 12/2/2024

Lab Sample Shipping

To avoid holiday shipping issues, the central lab will be requesting batch shipping of samples to be sent as below:

May/June 2024 Randomizations

These shipments will be requested the 1st week of December

July/August 2024 Randomizations

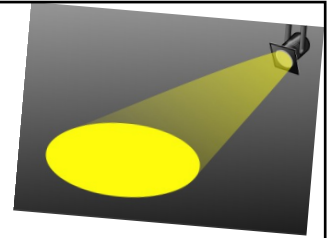

These shipments will be requested for early February 2025

The central lab will reach out to those sites to request shipping of the lab samples. Do not ship until notified to do so.

New Sites Released to Enroll

Congratulations to Rhode Island Hospital - Released to Enroll 11/4/2024

Welcome to our Newly Selected Sites

- Providence St. Vincent Medical Center - Portland**
- Ascension Columbia St. Mary's Hospital - Milwaukee**

A special thanks to Memorial Hermann, Dr. Andrew Barreto and M Health Fairview Southdale, Jessica Staloch for presenting their enrollment experiences. It's great to hear how you overcame obstacles to enroll. Your dedication is greatly appreciated!

RAPID AI Completion of Installation

Please remember to continue to work through the RAPID AI process with the RAPID AI Team. This is mandatory for trial participation.

After you are released to enroll, you can continue to use your current software until the installation has been completed. The expectation is that you complete installation within 3 months of site release. Non-responsiveness to installation requests & progress will trigger a call with the National PIs.

Please work with your hospital IT departments to ensure a smooth & timely installation.

Please reach out to Natalie Zaba (zaba@rapidai.com) or Brandon Berger (berger@rapidai.com) for assistance.

Please reach out for any questions!
