

The VERIFY STUDY

Validation of Early Prognostic Data for Recovery
Outcome after Stroke for Future, Higher Yield Trials

Newsletter March 2022 Issue 3

Study Updates

"Online training is now available for those who will be using TMS with VERIFY patients. Thanks for completing this in the next couple of weeks, we look forward to receiving your practice datasets from healthy volunteers."

-Cathy Stinear, PhD

- The Virtual Training Launch recording is available to those who were unable to attend the meeting. Sites can access the recording by going to the "Webinars" tab in the VERIFY StrokeNet web page: <https://www.nihstrokenet.org/verify/webinars>. The password for the recording has been sent in an email blast to sites.
- The PowerPoint slides for the Virtual Training Launch are accessible in WebDCU under the "Toolbox" tab. Please refer to these slides for more details on completing the TMS, MRI, & Behavioral Assessment trainings.

****Please aim to have your trainings completed by the end of April 2022****

Action Items

MRI Questions/Surveys

- If have not already done so, please send completed surveys to Lisa Mundo at mundokl@ucmail.uc.edu.

WebDCU

- WebDCU updates have been completed. You may continue completing & uploading documents to WebDCU again.
- Please refer to the "Staff Roles" slide when completing the DOA log. This document can be found in WebDCU under the "Toolbox" tab.

We strongly encourage at least 4 study members per site for VERIFY
